

FROM THE DESK OF  
**ROBERT W. DUMAS**

The opening of our new parking deck, the Downtown Burton Street Parking Deck, is a significant accomplishment in the overall re-development of the AuburnBank campus. I am happy to report that the deck is now open.

The entrance and exit to the AuburnBank main campus will change to allow the completion of our new main office building. Hopefully, the attached map with questions and answers will provide you with more details for your next visit to the main office.

I want to personally thank you for your patience, flexibility, and understanding while we make these necessary changes.

Our mission remains the same, to provide quality service and be Champions of You! Thank you for choosing AuburnBank as your financial institution.

We look forward to your next visit!

Sincerely,

Bob Dumas

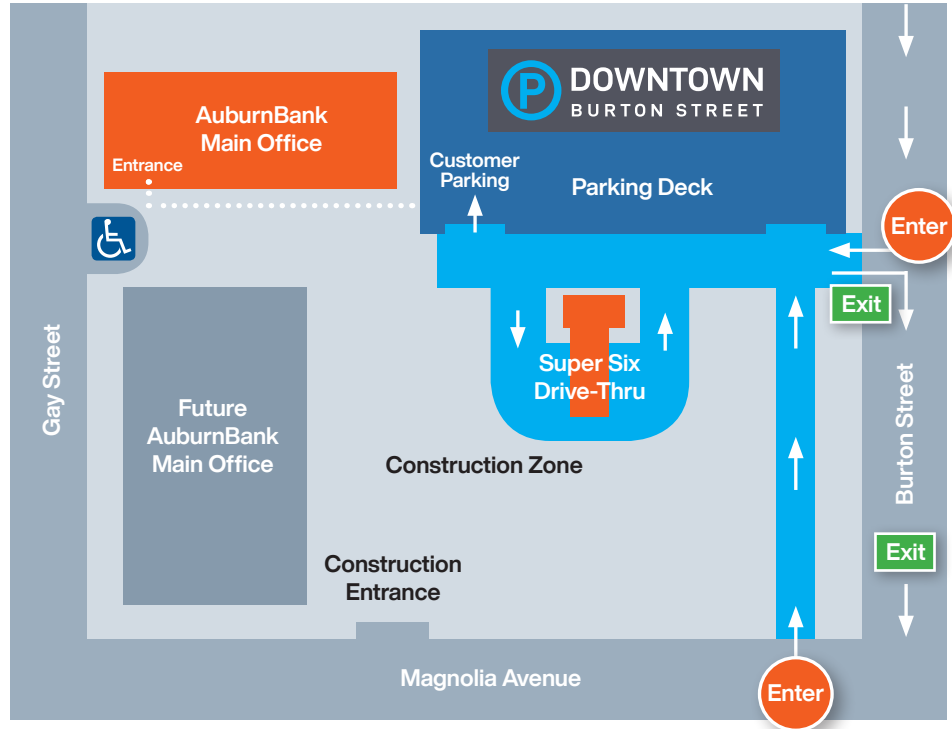

# WE SAVED A SPACE FOR YOU!

## The Downtown Burton Street Parking Deck Opens

**Our deck located at 149 Burton Street opens Saturday, April 17**

- Entrance and exit to the AuburnBank campus will change effective Saturday, April 17, due to construction until new building is complete.
- Come check out the new deck April 19-23 – the AuburnBank team will be stationed at the parking deck to assist and welcome bank customers.
- AuburnBank customers are encouraged to enter the deck from the Level 2 entrance closest to the main office building.
- Exit the campus by way of Burton Street.

# Q&A

**How do I enter the parking deck, Super Six and Main Office?** Two new entrances, new entrance on East Magnolia (entrance only), or Burton Street (one way street).

**Will customer parking be identified?** Yes, we have reserved spaces on both Level 1 and Level 2 of the deck. Spaces will be marked with signage.

**Will there be handicap parking near the bank entrance?** Yes, we have created a single handicap parking area close to the entrance to the main office, accessible from Gay Street.

**Will I have to pay to park in the new deck?** No, customers may park for free while doing bank business.

**Are there elevators in the parking deck?** Yes, there is elevator access on each level.

**Does the parking deck have an address?** We do! 149 Burton Street

**Will there be customer parking for the new AuburnBank building or will we always use the parking deck?** Once the building is complete, there will be ample parking, including handicap spaces, located directly behind the new building.
